## ADD A TOUCH OF CLASS TO YOUR ENTRANCE... SAFETY AND SECURITY DOORS

The strength and security of 2mm Punched Aluminium mesh in combination with aluminium decorative panel attached, gives you safety and a very attractive appearance for your main entry.

Our decorative cast panels are available in our full range of colours to choose from.

Aluminium punched mesh is also available in 2 colours: BLACK OR GULL GREY.

The cast panels are chemically attached to the aluminium mesh then riveted on the back with stainless steel rivets.

Established in 1947 Colonial Castings is an Australian owned company that has been making quality safety screen panels to suit safety doors for over 20 years. Rust will never be a problem; all door inserts are gravity die cast in 100% recyclable aluminium, which is also known for its durability and strength. The frames are constructed from exhausted aluminium.

To capture that added touch of personal style and individuality, we offer you a wide choice of colours in a hardy powder coated finish. Naturally the powdering is covered by a 24 month guarantee. To extend the life of the surface we recommend doors should be washed down regularly especially in salt water environments.
